## 1. What is Pop-Up & Creche Childcare?

When you have an event, e.g. wedding, conference or training, your children are professionally cared for. Enabling the adults to relax, fully participate and enjoy the event.

We come to you, to provide a site-specific childcare provision. You are assured of a premium level of childcare on site. This allows the children to play and make new friends under the professional, capable supervision of excellent registered child-carers.

### 2.1 Key Features

All staff undergo regular training sessions to keep them totally up to date with their skills and changing legislation. All staff are Enhanced Access NI Checked, reference checked at least 1 first aid trained member of staff.

### Testimonials:

*"The Mary Ann McCracken Foundation hired Wee Chicks to provide creche services as part of a project that we developed with and for migrant women. Kelly and her team worked with us and provided excellent advice and support, and the children in the creche were extremely well looked after. As Mary Ann McCracken opened a nursery school in the Clifton House almost 200 years ago, and the Wee Chicks staff definitely lived up to Mary Ann's standards for kindness, knowledge and professionalism – Mary Ann would be proud!"*

*"At the Belfast Met ESOL classes in Girdwood, Wee Chicks provide childcare assistance with an on-site mobile crèche so adult learners can attend English lessons. We are delighted with the service delivered by Wee Chicks and would recommend them to anyone looking for childcare provision. The staff are highly professional and strive to cater their services to all children regardless of their specific needs and cultural background. The standard of their provision is second to none."*
